Cut the Cord. Keep the Power.

**Mobile Heat 3 & 5**  
**STEINEL Cordless Heat Tools**

## Mobile Heat 5

Lithium-Ion  
Rechargeable  
Battery

The MH5 has all the power and none of the hassle of traditional heat tools. Heating up in less than 30 seconds and a powerful output, this tool keeps working hard in hard-to-reach spaces, making repairs easy.

## Mobile Heat 3

The MH3 is the no cord, no fuss mobile heat tool that makes in-field maintenance work easy to handle. Powered with a rechargeable lithium-ion battery and two temperature settings, this cordless tool truly means mobile heat wherever you need it.

German Engineered  
European Manufactured
